AIRCRAFT ACCIDENT/INCIDENT CLEARANCE STATEMENT

To whom it may concern:

Aircraft, B777-200ER, MSN 33503 bearing registration VN-A144, has been operated by Vietnam Airlines during the period from 11-Sep-2003 to 11-Jul-2017. The aircraft has a valid Certificate of Airworthiness from CAAV as of the date of this statement.

I hereby certify that, to the best of my knowledge, during the period stated above:

1. Neither the aircraft, nor any part installed have been:

- a. damaged during, or identified as the root cause of, a reportable incident or accident as defined by Annex 13 to the Chicago Convention, or
- b. subjected to severe stress or heat (such as in a major engine failure, accident, or fire) or has been submersed in salt water,

unless its airworthiness status was re-established by an approved maintenance organization in accordance with the instructions of the type certificate holder and/or supplemental type certificate holder and/or OEM of the part, and supported by an authorized airworthiness release certificate.

2. No part has been installed on the aircraft which was obtained from a military source or was previously fitted to a state aircraft as deemed by Article 3 of the Chicago Convention.
